

## POS Feature | Loyalty Programs

Start rewarding customers with our Loyalty Programs. Incentivize customers to keep coming back by letting them accrue points for their purchases and redeem rewards. Our Loyalty Programs can be based off of tangible card swiping or digital inputting with cell phone numbers.

Ask about how Customer Relationship Management (CRM) tools for Loyalty Programs help track and monitor customer behavior.

### Reward Customers

Give customers more reason to keep coming back by rewarding them for repeat business. Gain loyal customers with brand-customizable loyalty programs.

### Full Control

Have complete control over how you want to set up your loyalty program by customizing rewards and incentives.

### Customer Relationship Management (CRM)

Link loyalty cards to a specific customer profile to document customer information and track activity.

### Flat Rates

Our Loyalty Programs come at a flat rate of \$25 per location with no hidden fees.

### Eco-friendly

Go green and provide a cardless Loyalty Program.
